£1	100MB	Until next bill cycle
£5	1GB	
£15	10GB	

Points to note

Any data add-on purchased from the online portal will expire at the end of the time allocated to your add-on's usage period or once you've used your allowance of data, whichever comes first.

If you would like to use 4GEE WiFi outside of the UK (including Jersey, Guernsey & Isle of Man), you'll need to buy a roaming data add-on from our 4GEE WiFi portal. Remember, your 4GEE WiFi device may not be compatible with some 4G networks outside of the UK. For more information about the cost of using 4GEE WiFi in the UK and abroad, please visit the data add-on roaming terms at ee.co.uk/terms
