

EE SUBSCRIPTION MANAGER

SUBSCRIPTION TERMS AND CONDITIONS

Version 1

Date: March 2024

The Subscription & Eligibility

1. Customers may purchase a subscription to a third party digital service through the EE App or through the EE Shop at ee.co.uk/shop, these terms apply to all subscriptions purchased through either channel (the "**Subscriptions**").
2. **Subscriptions** are available to new and existing consumer customers who reside in the UK and who visit the My EE App or the EE shop at ee.co.uk/shop and login or set up an EE ID. Age restrictions may apply.
3. If you have an existing subscription with the third party service provider you may need to cancel your existing subscription directly with them before you purchase a **Subscription** through EE. If you do not, you may continue to be charged by the third party provider.
4. A Subscription Term e.g. 7 days, 30 days, one year etc (the '**Subscription Term**') applies to all **Subscriptions** and we will apply the charges to your payment card as set out in your order confirmation email. We will automatically renew your **Subscription** until you cancel the **Subscription**, at which point you will no longer be charged from your next renewal date. To view or cancel your **Subscription**, you will need to visit EE Subscriptions Manager in the EE App. It is your responsibility to keep your payment card details up-to-date. If they become out-of-date, we will not be able to renew your **Subscription** from your next renewal date.
5. If you cancel during your **Subscription Term**, you will not receive a refund for the remainder of the **Subscription Term**. You will still be able to use the **Subscription** until the end of the **Subscription Term**, after which the **Subscription** will not renew.
6. The **Subscription** is provided to you as an Additional Service. If you have a Price Plan with us (such as a Pay Monthly EE Mobile or EE Broadband plan), it does not form part of this plan. We may refer to the Additional Service as a 'Subscription' in the EE App or on the EE website and when you call or text customer services. EE LTD SUBSCRIPTIONS EE.CO.UK will appear on your bank or credit card statement when you are charged for your **Subscription**.
7. Before purchasing a **Subscription** you must acknowledge and understand that any change to the cost of the **Subscription**, to the **Service** provided, or to the terms and conditions shall, if applicable, only entitle you to cancel the **Subscription**. Such changes shall not entitle you to cancel any other Agreements with us for mobile or home network services.
8. As the **Subscription** is digital content and is available immediately after purchase, you will need to waive your right to a 14-day cooling off period once you have accessed the **Subscription**. This means that once you have purchased the **Subscription** service and activated the **Subscription**, you'll not be able to change your mind, cancel the service and receive a refund for the **Subscription**. This is set out to you in the order journey before you purchase with us and in the third party's terms and conditions.

This does not affect your statutory rights.

The Subscription

9. The **Subscription** is for personal and non-commercial use only. It's your responsibility to ensure that content accessed by under 18s is suitable for those viewing it. The **Subscription** is subject to the third party providers terms and conditions, which you will be asked to read

and accept when activating your **Subscription** on their site. Content available via the **Subscription** may change from time to time.

10. To access the **Subscription** you will need a compatible device. Before purchasing a **Subscription** please visit the third party providers website to check if the device/s you are intending on accessing the **Subscription** via are compatible.
11. You agree to use the **Subscription** at your sole risk. EE is not responsible for examining or evaluating the content or accuracy of any third-party services, and shall not be liable for any such third party services.
12. Content displayed by the **Subscription** is for general informational purposes only and is not guaranteed by EE.
13. To access a **Subscription** you will be required to set up an account with the third party provider. If you do not have an existing account, you will be required to register for one. When registering, you must provide the third party provider with some personal information, such as your first name, email address and password. The information you supply when creating an account will be processed in accordance with the third party's privacy policy.
14. Access to some **Subscriptions** will require use of your mobile data. If you use data when using the **Subscription**, and if you have an EE Price Plan, your inclusive data allowance will be deducted. Your data allowances will also be deducted when downloading any App or Website necessary to access the **Subscription** on your EE device (if applicable). If you access the **Subscription** on a non-EE device, data charges from your mobile provider may apply.
